

AGENDA ITEM 7: Sacramento-San Joaquin Delta Conservancy Report

Prepared by: Erik Vink

Presented by: Campbell Ingram

Requested Action: Receive report on Delta Conservancy Activities

Campbell Ingram, Executive Director of the Sacramento-San Joaquin Delta Conservancy, will update the Commission on recent activities of the Conservancy, including the award of Proposition 1 grants, the Conservancy’s update of their strategic plan, the Cache Slough regional restoration planning effort, and the recent adoption of the American Carbon Registry methodology for managed wetlands and rice cultivation in the Delta.

The Commission is a liaison advisor to the Conservancy and participates in its board meetings, with Erik Vink representing the Commission.
